

Welcome to the Friends of Barningham School (FoBS) newsletter. We support the school by raising money to purchase additional resources for the children at the school. All parents and carers are welcome to attend any of our meetings, and help is much appreciated as we run events throughout the year. We look forward to seeing you at our events and we thank you for your continued support.

Current Fundraising

We are fundraising for 5 interactive whiteboards; this year we raised the funds to buy one. The interactive whiteboards allow for children to thrive through hands on learning by touching, drawing or writing on the board and bring learning to life. They also give our children access to the latest IT equipment that will prepare them for the technology they will use at secondary school.

Thank you

The Friends has hugely supported by a number of Y6 parents; as their children leave the school we are indebted to Tracy Hurrell, Nicki Cameron & Megan Altadonna – thank you for all your help – we will miss you.
