

Badger Class Newsletter

Spring 2 2024

Dear Badger class families,

Welcome to Spring 2! Can you believe we are half way through the year already?!

Last half term we welcomed our new TA Mrs. Bluett to Badgers! We will also be supported by Miss Hopkinson and Miss Orton this half term.

What will we be learning?

<u>Maths</u>	Decimals, money, statistics.
<u>English</u>	The BFG
<u>Science</u>	Plants
<u>Geography</u>	Land Use
<u>RE</u>	Christianity and the Kingdom of God
<u>French</u>	Describing people
<u>Art/DT</u>	Mechanical cars

Our PE lessons will be covered by our lovely coach Cierran. The days will continue to be **Tuesday** and **Thursday**.

Homework

Homework remains the same, as followed:

Homework will be given out every **Friday**, and will be due in on the next **Thursday**. Please note I do not set homework for holidays as this is time for spending with loved ones and relaxing.

With our class play 'Matilda' rapidly approaching, please spend time with your child/ren rehearsing their lines and learning the songs. Each child has a script however if you need me to print off another one I can do so easily. The songs we are singing are: When I Grow Up, Telly, Naughty, School Song, Bruce and Revolting Children. Lyric videos to these songs are available on YouTube or if you have Spotify/Apple Music 😊

What can I be doing with my child/ren at home to help?

Reading regularly with your child is very important as it expands their understanding of the world, feeds their imagination and makes them a more confident speaker and writer. Please try to read a little bit every day, and remember to fill in the reading record. Reading records will be checked every Thursday with the homework. We are only a few months away from the Multiplication Tables Check for our Y4 children! Practice is key with this as they will only have 6 seconds to answer. Please encourage your child to access TTRS or the Maths Frame MTC as they are both excellent tools to get used to the procedure! Children are naturally curious, so please encourage them to read around any of the topics we are learning in class or to pursue their own interests. I love seeing PowerPoints, posters, drawings, stories etc that they have written at home 😊.

Thank you!
Miss Cartwright.
