Rabbit Classroom & Nursery Update

Over the Easter Break, the Rabbit class has been refurbished. We now have a new reading area, changing area, outdoor area and shed replacement. The Rabbit children have loved their new classroom and are especially excited about the new rainforest reading hub! We are still awaiting one final hurdle for opening Nursery from September 2024. We will keep parents updated about this and hope that soon we will be able to send out application forms for parents who are interested. We are holding a **parent information session on Wednesday 1st May at 2.15pm** – please come along and speak with Miss Garland & Miss Hunter about our plans and to come and see the new classroom! Miss Hunter will also be attending the Parish Council Meeting on Wednesday 8th May at 7pm to discuss this further with the local community.

Parent Survey

We are keen to hear from parents on their views of the school. Please click on the link below and answer the questions. This will help us celebrate what is working well and reflect on next steps as a team to ensure the best education for our young people.

We have not had many children sign up for the later finish of 5.30pm. If the take up remains low, we will be unable to continue to offer this in the future as it will no longer be viable financially. We hope parents will continue to use our clubs so we can cater to the needs of our school community.

The sorts of toys that would be useful include;

- Role play toys such as kitchen items and food
