

Badger Class Newsletter

Summer 2 2024

Dear Badger class families,

Welcome to our final half term of the school year. I cannot believe how quickly it's come around! We have a busy term ahead of us with transition, sports day, Jimmy's Farm and Y6 leavers so lots and lots to pack in.

What will we be learning?

<u>Maths</u>	Fractions, time, shape and space.
<u>English</u>	Newspaper reports and diary writing
<u>Science</u>	Scientific enquiries
<u>Geography</u>	Trade
<u>RE</u>	Sikhism and equality
<u>French</u>	French speaking countries
<u>Art/DT</u>	Mechanical keyrings

Our PE lessons will be covered by our lovely coach Ciarran. The days will continue to be **Tuesday**

and **Thursday**.

Homework

Homework remains the same, as followed:

Homework will be given out every **Friday**, and will be due in on the next **Thursday**. Please note I do not set homework for holidays as this is time for spending with loved ones and relaxing.

I will give out a piece of spelling, grammar, punctuation or handwriting homework. Children will also be required to access TTRS daily to practise their multiplication tables.

What can I be doing with my child/ren at home to help?

Reading regularly with your child is very important as it expands their understanding of the world, feeds their imagination and makes them a more confident speaker and writer. Please try to read a little bit every day, and remember to fill in the reading record. Reading records will be checked every Thursday with the homework. Please encourage your child to access TTRS or the Maths Frame MTC as they are both excellent tools to get used to the procedure!

Children are naturally curious, so please encourage them to read around any of the topics we are learning in class or to pursue their own interests. I love seeing PowerPoints, posters, drawings, stories etc that they have written at home 😊.

Thank you!

Miss Cartwright.
