

Badger Class Newsletter

Spring 2 2026

Dear Badger class families,

Welcome to Spring 2! Below is an overview of what we'll be exploring and learning together this half term. It's lovely to see the sunshine returning, and the children are certainly enjoying the brighter days. Our swimming sessions will continue to take place on Monday afternoons. Children should come to school in their PE kits on Monday, Wednesday, and Thursday. Finally, please remember to check the school calendar for all upcoming events this half term.

Who will be supporting your child/ren in Badger class?

In Badger's this half term, we have Mrs. Bluett and Mrs. Morris supporting us when the Year 2s join us. On a Wednesday afternoon, Mrs. Shelton will be teaching us.

What will we be learning?

Maths	Formal methods of multiplication and division, measurement, fractions.
English	My Strong Mind (Instruction writing)
Science	Plants
Geography	The United Kingdom
RE	Christianity
French	Instruments, seasons and ice cream
DT	Lever

Homework

Spellings
Your child will be sent home with spellings from the Y3/4 National Curriculum. These will be printed out and given to your child. The spellings we will be focussing on each will be detailed on the printout. Your child will be tested on the highlighted spellings at the end of the week.
Reading
Please encourage your child to read daily. If they read to themselves, they are more than welcome to write in their reading records.
Maths
Your child is expected to access TTRS every day for 3 minutes. This is especially important for Y4 as they have their MTC in June. If you need help accessing TTRS, let me know. We check this weekly as a class and hold small tournaments in Badgers!
Geography
Please see the printout detailing your geography project for this half term 😊

Thanks!
Miss Cartwright.
