Changes from September

I wrote to parents last week about the changes to class structure from September. We have been busy working on staffing and changes to curriculum to ensure the smoothest possible transition to this new change. The children have been asking us plenty of questions! **I will be hosting with Miss Garland a parent coffee afternoon on Tuesday 16th June at 2.30pm to go through the changes to classes from September and to answer questions that parents may have.** Please come along and have a tea and biscuit with us. For parents unable to make it, I will send out information shared within the meeting.

Changes to Free School Meals

There are changes coming to Free School Meals from September 2026. The changes will mean that more families will become eligible to 'expanded free school meals' under this new change:

However, from September, **families will need to be eligible each year** and not assume that applications remain for their whole school experience. You should receive a letter this week confirming changes and what parents need to do to check if they are eligible.

A note from the governors

Welcome back everyone, we hope you enjoyed the half term break and had some fun family times together. We wish all the children and staff a happy and productive half term ahead. The last half term of the year is always very busy, and we thank all the staff as they prepare to support the children as they take part in transition arrangements, school productions, school trips, sports days, church services amongst many other things. We continue to have vacancies for both a Co-opted Governor and a Parent governor. If you are interested in either role, or would like to know more about the work of the governing body, please contact me at admin@barningham.suffolk.sch.uk.
