Handover with Mrs Scott

I have had a great two days with our new Headteacher Mrs Scott for handover and transition ready for September. She has spent time with pupils and met some parents on the gate and we have been busy discussing and preparing for September. I think she will be a wonderful part of the Barningham team and she is excited to be leading the school from September. She brings a wealth of knowledge, particularly in EYFS and KS1, and is up to speed with the class structure changes and is keen to develop learning through play within 1/2/3. We welcome her to our school 😊

Cooking Workshops

Mrs Allen has recently attended training on running cooking workshops with parents and families as part of our 'Family Cooking' project. She can have a maximum of 5 families attend per session and is running her second session today for Squirrel families. The goal is that she will run one session per half term and extend the invite out each time to different groups of children and their parents.

A note from the governors

The extreme heat has caused much disruption to schools around the country last week as teachers worked to keep their learning environments safe for the children; a tricky task as our old building becomes increasingly warm as the day progresses. Our thanks to all the staff for adapting to the situation that Mother Nature has brought us, and for keeping the children safe. We hope for a slightly cooler start to this week when school life can return to normal end of year activities. We look forward to hearing about the upcoming school trips, watching Sports Day and the school performances which dominate the calendar between now and the end of the school year. We continue to have vacancies for both a Co-opted Governor and a Parent governor. If you are interested in either role, or would like to know more about the work of the governing body, please contact me

at admin@barningham.suffolk.sch.uk.
