Small School, Big Hearts!

There was energy, determination and community spirit at Cricket Meadow on Friday 13th November as Barningham's children took part in our sponsored **Run for Pudsey**, raising an incredible **£733.30 (with more to come!) for BBC Children in Need!**

The event was inspired by Mr Smith and our **Future World Council**. After learning about the charity and the children it supports, the council wanted to turn their learning into action and give our pupils an opportunity to make a difference.

The children took on the challenge of running circuits around Cricket Meadow for **30 minutes**, putting our school values of **'Be Kind' and 'To Give'** into practice. Their efforts showed that giving is about more than money: it is also about offering our time, energy and care to help others.

The children's reflections captured the purpose behind the event:

"It is important to help others who don't have as much as we do."

It was wonderful to see so many parents come along to cheer the children on. That encouragement, alongside the generosity of everyone who sponsored them, made this a special occasion for our school community.

For a small village school, this is a remarkable fundraising total. Even more special is knowing that it began with our children recognising a need and deciding they could do something to help. At Barningham, we want our children to see themselves as people who can make a positive difference and this was a wonderful example of exactly that.

A heartfelt thank you to Mr Smith, our Future World Council, every child who took part and all the families, friends and supporters who gave so generously. Small school, big hearts...we couldn't be prouder!

Barningham Primary School Reading Challenge

Make sure you read with and to your child as much as possible. This really makes a difference to their progress and enjoyment with reading. We have noticed and improvement in this. Keep it up!

Timestable Rockstar!

This week there was drop in the number of children doing this. Make sure your child has a go as often as they can. It really helps with your child's maths learning. We will hopefully have lots more next week!

Help for Readers!

Volunteers: If you would like to volunteer at our school to hear some of our children read can you please let your child's class teacher know. This would make such a difference to our children and be greatly appreciated by staff.
